26th - 28th APRIL 2024, DTU, DELHI, INDIA | www.icpeices2024.com

Theme: Empowering Intelligent Systems and Computing Technology
for Sustainable Development in Power Systems

CALL FOR PAPERS

The Third IEEE International Conference on Power Electronics, Intelligent Control and Energy Systems (ICPEICES 2024) is being organized by Department of Electrical Engineering, Delhi Technological University, Delhi in collaboration with IEEE PELS-IES Delhi chapter, IEEE PES-IAS Delhi chapter and IEEE Delhi Section at Delhi Technological University. Delhi ICPEICES 2024 is poised to be an exceptional event, featuring a platform for paper presentations, enriching tutorials, and engaging exhibitions. It serves as a valuable opportunity for experts, practitioners, and enthusiasts in the field to exchange insights, discuss advancements, and foster collaborations.

CONFERENCE TRACKS

Topics of interest include, but are not limited to:

- Track 1 Power Electronics, Energy Efficient Drives and Electrical Vehicles**
- Track 2 Robotics, Intelligent Control, Instrumentation and Automation**
- Track 3 Smart Grids and Power Quality**
- Track 4 Power, Renewable Energy Storage Systems**
- Track 5 Next Generation Communication, VLSI and Microelectronics**

SPECIAL SESSIONS:

Special Session 1: Application of Probability Methods and Use of Data-Driven Models in Modern Power System Research

Special Session 2: Metaheristics and Parameter Optimization in Machine Learning and Deep Learning

Special Session 3: Advanced Control Design and Optimization in Modern Power Systems

Special Session 4: Integrating Control Strategies, Renewable Energy Solutions, and 5G/6G Communication Paradigms for UAIIC: Towards a Sustainable Future

Special Session 5: Integrating IoT, Edge Computing, Data Analytics, and Energy Efficiency for Sustainable Smart Systems

Special Session 6: Electric Vehicle Smart Charging Station

IMPORTANT DATES:

- Call for Papers : 28th December 2023
- Deadline to submit paper : 29th February 2024
- Acceptance Notification : 19th March 2024
- Camera Ready Submission : 25th March 2024
- Early Registration Due : 29th March 2024
- Date of Conference : 26-28th April 2024

INFORMATION FOR AUTHORS: Paper Submission shall be through Link: <https://edas.info/N32030>.

All presented papers will go to IEEE explore and 20% will be eligible for further review for publication in IEEE Transactions on Industry Applications

ABOUT DTU:

DTU has a rich legacy of 80+ years! What initially started as a polytechnic in 1941, became Delhi College of Engineering in 1953, and finally upgraded to become Delhi Technological University in 2009. It is a built green campus spread over 150 acres, equipped with latest research technologies, it currently offers wide range of programs in research, engineering, technology, management, design, commerce, humanities.

1st International Conference on Sustainable Power and Energy 2024

28th -29th November, 2024 | HYBRID MODE

Organized by
Department of Electrical Engineering, OP Jindal University, Raigarh (C.G.)

Call for Papers

The first IEEE sponsored International Conference on Sustainable Power and Energy (ICSPE) 2024 is hosted by the Department of Electrical Engineering, OP Jindal University Raigarh (C.G.), India. It provides a venue for power system researchers and engineers from industry, and academia to exchange knowledge, expertise, and experience on the most recent breakthroughs in electrical power and related technical domains. The conference includes a wide range of engineering topics, as well as discussions of real-world challenges and solutions. Various expert seminars will be conducted to share information and promote idea exchange. The gathering will create a more conducive environment for scientific advancements.

Paper Submission Guidelines

Prospective authors are invited to submit their original full length paper (maximum 6 pages) in IEEE template which is available in the following link <https://www.ieee.org/conferences/publishing/templates.html> in PDF format. Authors are encouraged to provide experimental verification of the theoretical concepts. The conference is technically supported by IEEE Madhya Pradesh Section, IEEE Industrial Electronics Society Madhya Pradesh Section, IEEE PES Society Madhya Pradesh Section and IEEE Power Electronics Society Madhya Pradesh Section. All the accepted and presented papers shall be submitted to IEEE Xplore Digital Library and are likely to be published as per IEEE's guidelines for scope and quality. For further details, please visit the conference website: <https://icspe2024.opju.ac.in/>
